

Celebrity Chef Private Dining Experience

You will have the opportunity for a 5-course Private Dining Experience for you and 9 of your favorite guests to be prepared and served to you in your home by Cowboy Chef Newton.

Cowboy Chef Mike Newton is the real deal, Texas born and raised, featured as “Newton”, the Cowboy Chef on Fox’s MasterChef Season 8 with Gordon Ramsay. He is not your average cowboy - he has a passion for food, and given a second chance to pursue what he loves, he is passionate about giving back. To date he has helped raise more than \$600,000 for local food banks and charities, introducing his Cowboy Cuisine in demonstrations and Private Dining Experiences. He is an inaugural board member of the High School BBQ Cookers Association, works with local 4-H programs, and shares his skill and passion in the culinary classrooms mentoring high school students.

From chicken-fried anything to French sauces, he really can do it all, with his own Cowboy influence. He will customize a menu for you and your guests and come into your home for a very interactive and memorable experience for you and your friends and family!
